

PET FRIENDLY ACCOMMODATION

The list here shows some of the options we are currently aware of. Be warned that some hotels charge a supplement if a pet is in the room. You may want to find this out before booking. There are a lot of B&B's here. High season here is June to September plus Xmas to New Year. Some clients have used AirBnB (<https://www.airbnb.co.uk/s/North-Berwick--United-Kingdom>) to locate alternative accommodation. This can often be much cheaper but ensure pets are allowed when booking.
